Beach Crasher effects include feeling tingly, giggly, and relaxed. Medical marijuana patients often choose Beach Crasher when dealing with symptoms associated with fatigue, stress, and anxiety. Bred by Jungle Boys, Beach Crasher features flavors like orange, tropical, and sage. The dominant terpene of this strain is terpinolene. If you're looking for a strain that will make you feel like you're crashing on a sunny beach, Beach Crasher might be the one for you
